DEPUTY SHERIFF FINDS FINE CROPS IN DIVIDE

County Officer Declares Farmers of Northwestern Part of State Making Money

Deputy Sheriff Rollin Welch return-

ing from Divide county report a wonderful improvement in the crop situ-ation there, and 1, confident the far mers of that section will make more money this fall than they ever fore have had in their presesone time. In the southwestern see tion of the state, where crop failures have been uncommon in others years it is reported that wheat will go 27 per cent better than last year, and that while hay is short there is really

in any other recent year. Most of the ontbreaks reported to date have been gemeportant and confined to individu

One Piece Bathing Suit Gets Bull's Goat; Wearer Hurt

Poplar, Mont, Aug. 7,-A giddy, one piece bathing suit adorned the lissom form of Mis. W. L. Tidland proved too much for the irascibility of a big Durham buil heading the government herd here, which her out from a group of bathers, scuttered her companions, chased her a considerable distance along the river bank, several times throwing her to the ground and trampling her, and finally forced her to take refuge in the roots of an overhanging tree, where her friends finally rescued her All of the from her bursuer. bathers were in the water when the bull charged, with his herd at his back, and it is considered remarkable that the others escap-Mrs. Tidland was unconcious when her friends reached her, and she has since been confined to her bed under a doctor's

Odoriferous Case Decided by Guilty

Hillsdoro, N. D., Aug. 7 .- A particularly odorsterous case was disposed or when Ray Larson, captured after a year's chase by Sheriff A. J. Olson, pleaded guilty to hie theft of several kunk pelt, and was taken to Fargo to be rentented by Judge Cole. A lew years ago the theft of a few skunk pelts would have been a petty lareenv. Now turs of all kinds have advanced so greatly that Larson is charged with grand larceny.

MAKING LONG TRIP Oklahoma People Travel by Auto to Ranch in Alberta

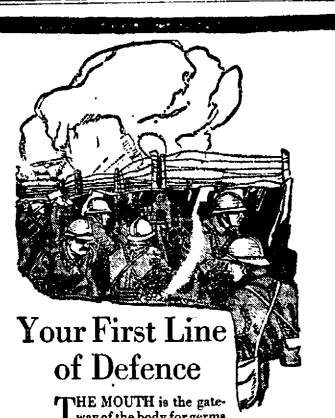

Pembina, N. D., Aug. 7 -After har that while hav is short there is really ing traveled 1072 miles without a no tamine for toruge crops such as puncture or other mishap, Mr and was feared. Cool, damp weather has Mrs. A. R. Walker and four children, last night was ordered into service in brought out the grain temarkably, and of Grant county, Okla, passed through there is a general betterment in tone Penroma on route to their ranch 60 noted throughout the western part of miles south of Calgary The family the state. No labor troubles have had been traveling since July 4, following noted to date, and the I W W lowing the Meridan trial and vielt-menace appears less threatening than

The Bank with the Clock **OPPORTUNITY**

Success in life consists largely of a combination of brains and opportunity. It is well to remember therefore, that unless you are ready for your opportunity when it comes success is not for you.

Business success depends almost entirely on having ready money with which to take advantage of opportunities and the one certain way by which to have ready money is to save it systematically month after month.

NOW is the time to begin. This strong, progressive bank welcomes savings derosits in any amount from 31.00 up and pays 4 per cent compound
