

FORUM TO HEAR TALK ON INDIA

Four-evening lectures on "India, Past and Present" are being announced by the Forum for this month, March and April, according to the committee of arrangements.

Dr. Herman F. Swartz, president of the Pacific School of Religion, will be the speaker at the first lecture. His topic will be "The Population Problem of India."

Other subjects in the course of lectures will include "India and Gandhi," "The Industrial Revolution in India" and "Can Britain Hold India." S. K. Ratcliffe, English journalist and educator, will be among the future speakers in the series. It was announced.

Mr. and Mrs. Ralph T. Fisher are chairman of the Thursday evening lecture, which will take place at the Hotel Oakland.

Professor Raymond G. Gattoli, chairman of the department of political science at the University of California, will give another of his lectures on current events Friday morning at 10:30 o'clock, the event to take place in Ebel clubhouses, instead of the Hotel Oakland, according to the committee in charge.

Sonoma Cannery to Work on Tomatoes

SONOMA, Feb. 15.—For the first time in four years, the Sebastiana cannery here will operate this year on tomatoes. This was announced yesterday by the management, and at the same time letters were sent out to growers requesting them to state the acreage they would plant.

TODAY in the HIGH SCHOOLS

A campaign to promote cleanliness about the school building and grounds was inaugurated at Roosevelt high this morning under auspices of various school clubs.

Plans for the drive were developed under supervision of R. D. Doxsee and Miss Lutte Ruch, vice-principals, by the club officers. The H-Y club and Block R society, both organizations for boys, have been most active in formulating plans. Harold H. Cozens, principal, declared.

Activities during the week will include group meetings to discuss ways of improving the general appearance of the school, promoting cleaner school and the appointment of an investigation committee to see that the campaign is a success.

Donald Mulford, student body president; Trevor Griffiths, H-Y president; and Lawrence Cocea, Block R president, who are in charge of the campaign, hope to receive the aid of every class president.

The class presidents are to meet with the three campaign leaders and discuss details for conducting the drive.

All club presidents also are to meet to discuss the student organizations' participation in the drive.

PLANS FOR DEBATE

Although the next debate in Emeryville high are commencing preparations for the second inter-scholastic debate of the semester. The date of the debate has been set as April 12 and will be on the topic, "Resolved: That President Hoover's policies justify his reelection in 1922."

It is not known yet what school Emeryville will meet in this debate, according to Jack Morgan, a prominent member of the student body who is vice-president of the Alameda County Debating League.

A schedule will be arranged for all schools of the league whereby debates will be held simultaneously in each school on April 12 on the same topic. The affirmative team of each school will meet the negative team of its opponent at its own school, while the negative team will go to the other school.

The league will purchase a perpetual debating cup that will be awarded to the school receiving the highest number of points each year.

Morgan is debating for the debate at Emeryville under supervision of A. Maffley, debating coach, are Marie Callaghan, Charles Betz, William Eilers, Muriel Steinhil, Mary Warren, Frank Melvin.

INSTALLATION CEREMONY

Installation ceremonies of new members of the University high H-Y club will take place tonight at the H-Y clubrooms at the Y. M. C. A.

Fritz Yerman, president, will preside at the ceremonies.

Paul Barnes, William Blanckenburg, Herman Brauss, David Dean, Edwin Duckles, Gordon Lee, Richard Perkins, Wallace Riddell and Jack Williams will be installed as members.

Business Yerman, recently elected officers of the club are Charles Cleary, vice-president; Roy Young, secretary; Eric Moorehead, sergeant-at-arms, and Paul Fleming, faculty advisor.

CLASS ELECTIONS

Class officers of Technical high will be elected during class meetings tomorrow. Nominations were made last week and have been passed by the student executive board and the faculty.

An unusually large number of students are competing for various class positions. Howard O. Welty, principal, said.

Paul Vetter and Ray Haskill are running for senior class president, while candidates for senior class vice-president and secretary are Bruce Barrett, Madeline Brause, Esther Harvey, Patricia Prosser, Tom Sigwart and Vincent Van Meter.

Harry Courtwright, Delbert Mitchell, Vincent Ogle and Byron Wilson are competing for the position of high senior boys' treasurer, while Margaret Snider and Arthur McGuillan are unopposed candidates for high senior girls' treasurer and semi-annual editor, respectively.

Other candidates for class office include the following:

Low senior class—President, Louis Abrams, Boris Holander, David Engle, Helen McBeth, Sam Neft, Oscar Williamson; vice-president, Eileen Castagna, Bernice Greenberg, Arthur Irish, Peter Stackpole; secretary-treasurer, Edna Feinstein, Dorothy Lake, Jane Peterson, Beatrice Rodriguez, Virginia Van Sickle, Margaret Zin.

Junior class—President, Monica Craig, Virginia Frew, Georgia Rall, Frank Lorent and Vincent Francoll; vice-president, Frances Bolander, Irene Christensen, Elizabeth Forman and Jane Milner.

Candidates were selected on their leadership and scholarship merits and those elected will have charge of all class meetings.

The high senior president will present the class gift to the student body during commencement exercises at the close of the term.

PRESS CLUB FORMED
A Press club has been organized this semester at Castlemont high under supervision of Miss Pauline Wyeth, journalism instructor.

The club has a charter membership of 20 new students who desire to further their study of journalism. Miss Wyeth declared.

A study will be made of the main points of news writing and of special columns and their writings.

Several noted writers will address the club during meetings this term.

Officers include Byron Brown, president; Elaine Rosenkrantz, vice-president; and Elizabeth Byrnes, secretary.

LINCOLN PROGRAM

Lincoln's birthday was observed at Herbert Hoover Junior high with an assembly program given by the journalism class and the low ninth grade glee clubs.

The program presented by the

FOREIGN TRADE WEEK AIM TOLD

SAN FRANCISCO, Feb. 15.—How modern transportation has shortened the route for California products to world markets will be explained during Foreign Trade Week which will be observed in California from February 15 to 22. It was announced today by Charles Wheeler, vice-chairman of the statewide foreign trade committee of the California State Chamber of Commerce.

"California and the entire Pacific coast is linked to the world markets by fleets of the most efficient steamships," Wheeler stated. "In recent years there has been a revolution in water transportation and virtually all of the steamers plying from the Pacific coast are powered with modern equipment and have increased speeds as compared with those of a few years ago."

"Many of these ships have been built for Pacific coast trade alone and are equipped, not only with modern refrigeration plants for fruits, but all other products," he continued. "We should further emphasize the fact that today we have the most modern passenger-ships in the world plying in and out of our ports."

Wheeler said that during the week most of the ships in the principal ports will be in gala attire, and open house will be held so that shipper and producer may have an opportunity to view shipping facilities.

Alameda Electric Division Saves Coin

ALAMEDA, Feb. 15.—A saving of \$24,763.70 in expenditures of the Alameda municipal department of electricity, during the six-month period ending last December 31, was reported today by E. Ray Fritz, manager.

This represents money saved out of the authorized budget for the current fiscal year and, if the present rate is continued, will result in a budget surplus of approximately \$50,000 next June 30, Fritz asserted.

The saving has been made despite additional expense of replacing the two-phase with a three-phase distribution system, work on which is progressing satisfactorily, Fritz reported.

Tourists Spend Most Time in N. California

SAN FRANCISCO, Feb. 15.—Tourists visiting California last year spent 65 per cent of their time in the northern part of the state, according to a survey by Californians, Inc.

In an effort to find out where and how visitors spend their time, the organization last year contracted more than 4000 touring parties. The results show that contrary to popular belief, the big tourist travel is not restricted to southern California.

Visitors spent a total of 9,958,510 days in the northern and central parts of the state, compared with 8,055,551 in the southern section.

Carter Presents Washington Pictures

BERKELEY, Feb. 15.—Representative Albert S. Carter, Congressman from this district, has presented two pictures of George Washington to St. Mary's College high school.

These are facsimiles of the most famous likenesses of the first president by Gilbert Stuart, the oil painting being known as the "Athenian portrait." The figure of the illustrious portrait is life-size.

The pictures, done in colors of the original, are made available by the George Washington Bicentennial commission in the national capital to stimulate interest in the great American leader.

Albany Will Have Pure Milk Supply

ALBANY, Feb. 15.—Albany completed machinery today to guarantee pure milk to the city, as a means of safeguarding its children. At the same time an organization was effected which will direct milk inspection without cost to the city.

Appointment was announced of Dr. R. C. Louch, milk inspector for the city of Richmond, to a similar post in Albany at a salary of \$75 per month. Salary of the new official will be derived entirely from fees imposed on dealers delivering milk in the city.

Under an ordinance just passed, a tax of one cent per gallon is imposed for pasteurized milk and 1/2 cent per gallon for raw milk. Estimates place income to be received from this source at \$80 per month, or a sum more than sufficient to meet expenses of the new municipal activity.

DRUM CORPS WINS HONOR

The honor of leading the grand march at the George Washington bicentennial program in the Municipal auditorium next Monday night was awarded today to the Fifte and Drum corps of American Legion Post No. 2.

The announcement was made by Errol C. Gilkey and T. J. Kingsley, who are directing arrangements.

The Odd Fellows band will play in the Auditorium arena from 7:45 until the entrance of the marching units of civic and patriotic bodies.

Sergeant L. W. Dutrow, who will sound the assembly call, is a former member of the famous British Northamptonshire regiment, which was organized before the American Revolution and fought against the Colonial forces. He served with the company in China in 1827 and 1828.

The Business Men's Garden club is planning to decorate boxes for visiting officials, and members of Dr. B. W. Black's bicentennial committee says many stores will have window displays based on Washington's life.

Imperna chapter of Daughters of the American Revolution, of which Mrs. J. M. Jackson is regent, has taken a box and will attend in a body, the arrangements committee announced.

San Leandro Church Holds Lenten Service

SAN LEANDRO, Feb. 15.—Lenten devotions are held on Wednesday, Friday and Saturday evening at St. Leander's Catholic church here, parish leaders said. Wednesday and Sunday evenings will be devoted to the Rosary, sermon and benediction, while the stations of the Cross and benediction will be given on Fridays, with an afternoon service for children. Morning masses are being said each day at 7:30.

Ad Club to Hear S. F. Ad Specialist

The Advertising Club of Oakland will meet at Hotel Oakland tomorrow to hear Stanley G. Swenberg, San Francisco advertising specialist. As a feature of entertainment, the comedy team of Kolb and Dill will enact a program which will be largely impromptu, taking advantage of members present as vehicles for putting over their wisecracks.

The program was arranged by Phil Berger, program chairman and J. Fred Stephens, Jr., will preside.

S.P.R.S.I. to Give Combination Affair

SAN LEANDRO, Feb. 15.—Arrangements are complete for a combined Washington observance and Valentine party to follow the regular business session of the S. P. R. S. I. tonight at I. O. O. F. hall, according to officials of that group. All active officers and several other members of the organization have participated in preliminary plans for the event under the direction of Miss Mae Rocha, who was named general chairman.

SAYS COFFEE LOVER NUMBER 10,101

"Paint it all you like . . . it's still the same old bus . . ."

"When I see my neighbor slicking up that chariot of his, I have to chuckle. He makes me think of the coffee business.

"There's a world of talk about new packages, new seals and headaches—but mighty little about the coffee itself!

"Of course I want coffee packed right! Who doesn't? I buy my coffee in the best package that modern science has turned out.

"But I want something more than a good package. I want coffee with a flavor that's worth protecting. And that's the biggest reason I'm such a rooster for DEL MONTE.

"Put it up against any other coffee you can buy—at any price. You'll find that DEL MONTE first has a flavor that satisfies, I don't care how critical and modern you are. And that fine flavor comes to you just as fresh as when it left the roaster. DEL MONTE is super-vacuum packed—it always has been."

THE MODERN COFFEE FOR MODERN TASTES

"Certainly, I want to do my share"

You'll have a caller some day soon—a public spirited citizen who has volunteered to aid in the arduous work of collecting funds for the 1932 Community Chest.

RELIEF for Unemployed — Support of necessary charities during 1932

Give quickly and speed success in this unselfish task! Don't keep the worker waiting, don't ask him to call again. There are scores of other visits to be made in the name of love and mercy. Your caller deserves to receive, not only your contribution to the Community Chest, but also your cooperation in his labors.

Putting aside the claims of home and business, many men and women are devoting days to helping the Community Chest Appeal. Often weary, but sustained by the cause they serve, they are visiting all citizens—visiting you—to make it easier for you to contribute to these vital-charities.

No doubt you have your answer ready: "Certainly, I want to do my share." Give promptly, for promptness will help push forward this work to a happy conclusion.
